Fawzia Al-Rawi has been teaching Sufism with a special focus on feminine spirituality worldwide for over 30 years.

Born in Baghdad, Iraq, she learned as a child from her grandmother the expressive forms and deep wisdom of oriental belly-dancing.

She spent twelve years under the guidance of a Sufi master in Jerusalem, where she married, worked and had three children. She has been developing in a way which enables her to accompany other human beings on the Sufi path in a very unique and beautiful fashion.

Fawzia Al-Rawi lives in Vienna with her husband and their three children.
